McGeorge Prayer Letter August/September 2023

Dear Praying friends,

Cleared Land! Yes you heard right, we have Cleared Land!

We were excited to have the machinery show up unannounced and clear the land we have been waiting on. This is what we are looking at now.

The next step is to get the surveyors out here to drop a few stakes in the ground so we can be sure where we place the building is on the plot of land that we have a 20yr lease to use, then we should be full steam ahead! We are living in exciting days indeed! Please pray the surveyors will be by soon.

Missions: Sending and Giving the Gospel

We recently had a missions emphasis series for 6 weeks and then took up our financial missions commitment which was \$175/month. This time we also did a "Be A Missionary Everyday" commitment of a number of individuals we would invite to church/ give a tract/share the plan of salvation with and the total was 24 visits per month.

Furlough 2024

Please continue to pray that we would find suitable furlough relief to fill in for us during our planned 2024 furlough. If you know of anyone who may be available to fill in for us please let us know via email.

Some Prayer Requests to Remember...

1. The work in Nauru have visitors and grow numerically and spiritually
2. Surveyors to come and stake the land so we can begin work on a building.
3. Finding furlough relief for our 2024 furlough
