McGeorge Prayer Letter October/November 2023

Dear Praying friends,

Merry Christmas from the lovely tropics of Nauru! We hope this letter finds you well and enjoying the Christmas season. A special thanks those who have sent or will be sending special Christmas offerings. We thank you very much for remembering us, and for your gifts and care for us are much appreciated.

Waiting, Surveying, waiting, more clearing, waiting, road work, quote, quote paid, waiting...

Last letter we had cleared land, then we waited, then surveyors came, then we waited, then we cleared more land, then we waited, then we worked on the road, then we waited, then we got another quote from more land clearing, digging and levelling and paid the quote, and now, for a change, we are waiting ;) Jokes aside, We are glad at the progress we are making, though the waiting is never "fun", but we hope this will be our last land clearing effort and we will soon be able to lay out and start the foundation. Please pray the excavator will come do the work soon.

We are the proud owners of a 9m x 12m (29ft x 39ft) tent!

We had been praying for a large tent that we can use for a permanent building which are on island, (left over from the refugee camp) but rarely for sale and Praise the Lord we bought one! We had put the feelers out and a local man wanted to sell his and we were able to buy it for \$6000! We have the tent in possession and are waiting on the foundation in order to set it up. Praise the Lord for answered prayer!

Come one, come all...

With a change in Nauru government came the easing of the covid vaccination restrictions. A COVID vaccination is no longer required to enter or leave Nauru. We are thankful for this decision and trusting this will remove some of the obstacles that make finding furlough relief difficult. Please continue to pray for suitable furlough relief for our 2024 furlough.

On the home front

We are thankful to have a StarLink satellite internet now that has reduced the cost and increased the speed of our home internet which is a blessing. The boys are all done with school for the year and Elijah finished year 12 and is our first high school graduate. He finished the top of his homeschool class ;) He is looking forward to moving back to Indiana, getting a job, fishing and continuing to forge knives. We are very proud of the fine young man he's becoming :)

Some Prayer Requests to Remember...

1. The work in Nauru to have visitors and grow numerically and spiritually
2. Nauru Rehab to return with the excavator and dig and level more land for the foundation.
3. Finding furlough relief for our 2024 furlough

Thank you for your prayers and support this past year, we appreciate it, we need it and could not do it without you. We wish you a very Merry Christmas as we remember the most wonderful time of the year when our Saviour Jesus Christ was born.
