McGeorge Prayer Letter June/July 2024

Dear Praying friends,

Thank you again to those who pray for us and the ministry in Nauru, we appreciate it and your prayers make a difference! Please allow me to update you on some recent goings on...

Church Building Plan B!

So we've had issues getting the tent up, and during a freak wind storm one section was badly damaged and we have decided as a church to ditch the tent and put a timber structure and metal roof over the foundation. Our landlord will buy the tent off the church, so we are not at a loss there, and the timber construction will be significantly more money to build, (about \$35,000 Australian Dollars in materials and labour) but the church has saved the money to do it and we will get use out of it for many years to come. We are also looking to buy a Reefer shipping container to convert into a church kitchen and bathroom, but have not been able to find one available to buy on island if you would make that a matter of prayer that would be greatly appreciated.

Everybody loves Visas!

We just lodged our paperwork to renew our visas, and they informed us that the visas for the Crafts will require medical and police clearance. It really is "the luck of the draw" what they require when you drop off paperwork, but pray we can get done what they need and they will process them quickly.

Furlough schedule full

We have been in touch with most of our supporting churches in Indiana, Ohio, Maryland, New York and Florida to fill up our furlough schedule for November 2024-March 2025. If you have not heard from us please email us at adam@mcgeorgemissions.info and we will try to get you on the schedule to report back in person.

Elijah adulting

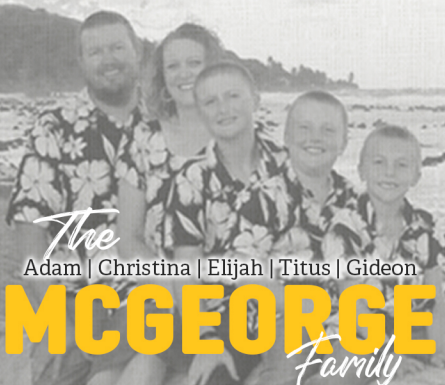

Elijah is enjoying being back in the US seeing family, going to church and being around people his own age. He recently got an Indiana Drivers License, got a job at a meat packaging plant in town and enjoyed his last youth camp as a camper. We video call a few times a week and we have all adjusted ok to him not living with us anymore. Thanks to those who prayed for us as these changes came our way.

Some Prayer Requests to Remember...

1. The work in Nauru to have visitors and grow numerically and spiritually
2. Completion of Timber Shelter over the Church foundation
3. Crafts visa paperwork and Furlough preparations

Thank your again for your prayers and support,
Bro Adam, Christie, Elijah, Titus and Gideon McGeorge
